

## DIVERSITY POLICY

### ALCHEMY RESOURCES LIMITED ("COMPANY")

The Company is committed to supporting and managing diversity as a means of enhancing the Company's performance by recognising and utilising the contribution of the diverse skills and talents of its directors, officer's and employees.

Diversity involves recognising and valuing the unique contribution people can make because of their individual background, skills, experiences and perspectives. Diversity may result from a range of factors including age, gender, ethnicity, cultural background or other personal factors. The Company values the differences between its people and the contribution these differences make to the Company.

#### **Role of the Board**

3. Inappropriate attitudes, behaviours and stereotypes are not acceptable and will not be tolerated.

#### **Objectives**

The Company encourages diversity in employment, and in the composition of its Board, as a means of ensuring that the Company has an appropriate mix of skills and talent to conduct its business and to achieve its goals.

The Company provides equal opportunities in respect to employment and employment conditions, including:

These criteria will also be used by the Board when considering the appointment of Board members. ## **2. Training**

The Board recognises, and is committed to, the appropriate on-going professional training of its directors, officers and employees. Training opportunities will be based on the individual's development needs as well as the Company's requirements.

## **3. Career Advancement**

Career advancement, including promotions, transfers, and other assignments, will be based on skill and merit as well as the Company's needs.
