

Alchemy is committed to achieving the highest performance in Occupational Health and Safety to create and maintain a safe and healthy environment in the workplace.

To achieve this Alchemy will:

- **Seek continuous improvement in its Occupational Health and Safety performance taking into account evolving scientific knowledge and technology, management practices and community expectations**
- **Comply with the applicable laws, regulations and standards of the states in which it has workplaces**
- **Train and ensure individual employees and contractors understand their obligations and are held accountable for their area of responsibility**
- **Involve all employees and contractors in the improvement of Occupational Health and Safety performance**
- **Communicate and consult openly with staff, contractors, government and the community on Occupational Health and Safety issues**
- **Implement risk management systems to identify, assess, monitor and control hazards in the work place**
